

MASSERIA TORRE COCCARO

FASANO - PUGLIA

HOME OF THE PUGLIAN LIFESTYLE AT ITS FINEST

The Masseria to be in Puglia

Between Bari and Lecce

A 16th century countryhouse Masseria set
within a large estate, immersed in olive groves
which offers the true atmosphere of a
traditional Apulian Masseria overlooking the
Mediterranean Sea

In the ideal situation

The Masseria Torre Coccaro is located in Fasano, at the doorstep of the Itria Valley, and between the most prestigious cities to visit such as Alberobello, Matera and Lecce.

The Masseria is only 30 minutes away from both Bari and Brindisi airports.

OUR PHILOSOPHY

”

We believe in family values, as much as sustainable principles and creating positive impact in our community. We ponder every decision we make in terms of impact and sustainability: from our choice to our zero-impact thermostatic-system, producing the maximum of food on our land, buying local as much as we can, using local traditional materials and handcraft, and recruit locally; we care for our planet, our people and future generations.
